To Whom It May Concern

Real Life 4 Kids

Last year we ran the Real Life 4 Kids Programme at our school. We ran the programme for a term in Grade 5 and it proved to be a HUGE success. It broke the monotony of the year for the pupils – they came alive. The class buzzed and the pupils were enthused in every area of their school life. We have had testimonies from parents who have battled to get their kids up and going in the mornings, suddenly having a turnaround where their child can't wait to get to school.

Other than the energy it brought into the learning process, the pupil's knowledge and understanding of how things work in 'Real Life' grew tremendously and much valuable discussion was generated. The regular subject suddenly gained more meaning.

There was no hesitation from our Grade 5 staff involved, to make this part of our annual curriculum.

Kind Regards

Mr. Keith Hawyes

Head of Intermediate Phase
